EDUCATION

Kent State University, Kent, Ohio Anticipated Defense: May 2027
Ph.D., Curriculum & Instruction (Early Childhood/Elementary Mathematics Education, K–6)
Dissertation: Impact of Sociomathematical Norms on the Multiplicative Reasoning of Fourth-Grade Students
Advisor: Karl W. Kosko, Ph.D.

University of Ibadan, Ibadan, Nigeria November 2017
M.Ed., Early Childhood Education

University of Ibadan, Ibadan, Nigeria April 2014
B.Ed. (Hons), Teacher Education/Early Childhood Education/Economics

RESEARCH PROFILE

Children's mathematical reasoning; multiplicative reasoning; multi-digit multiplication and division; fractions and decimals; mathematical strategies, representations, and errors; sociomathematical norms and classroom interactions; teacher noticing.

METHODOLOGICAL EXPERTISE

Quantitative: Multiple regression; multivariate statistical analyses
Qualitative: Systematic coding; thematic analysis; analysis of speech and textual data
Mixed-Methods Research
Eye-tracking Analysis

RESEARCH EXPERIENCE

Graduate Research Assistant — NSF DRK–12 #2404553, Kent State University August 2024–present

Exploratory Study of Children's Multi-Digit Multiplication and Division

- Contribute to research implementation, mathematical task and instrument work, data collection, qualitative and quantitative analysis, scholarly writing, and dissemination.
- Analyze and interpret children's strategies, reasoning, representations, and errors in multi-digit multiplication and division.
- Collaborate on peer-reviewed publications and conference presentations arising from the project.

Graduate Research Assistant — Jaffe Foundation-Supported Research, Kent State University August 2022–May 2023

- Contribute to fraction-focused research through instrument/task work, data collection and analysis, scholarly writing, and dissemination.

Graduate Research Assistant — Research Center for Educational Technology, Kent State University August 2023–present

- Review research manuscripts and provide quality checks for scholarly materials.
- Review and evaluate the Center's website to help ensure that high-quality, functional learning resources are available for K–12 teachers.
- Code and transcribe research data and contribute to research data collection.

Research Assistant — TETFUND Mathematics Research Project, University of Ibadan, Nigeria 2021–2022

- Provided onsite research support and supervision for participating primary-school teachers.
- Administered pre- and post-assessments with study participants.
- Contributed to the development of research instruments for lower-primary mathematics research.

Research Director — Dream to Legacy Initiative, Nigeria December 2025–Present

- Coordinate the activities of the research team and provide direction for research projects supporting the organization's programs and initiatives.
- Ensure the accuracy and quality of research outputs and collaborate with other departments to provide data-driven insights for work in education, mentorship, and leadership development.

Research Director — Foundation for Rural Education and Empowerment April 2019–August 2022

- Coordinated the activities of the research team and provided direction for research projects supporting organizational programs and initiatives.
- Ensured the accuracy and quality of research outputs and collaborated with other departments to provide data-driven insights for work in education, mentorship, and leadership development.

Research Director — The Sanguine Academy, Nigeria March 2020–December 2022

- Coordinated the activities of the research team, provided direction for research projects, and supported the accuracy and quality of research outputs.
- Collaborated across departments to provide data-driven insights supporting programs and initiatives in education, mentorship, and leadership development.
- Contributed to training, seminars, and workshops for teachers, students, and other stakeholders.

TEACHING EXPERIENCE

University Teaching

Teaching Assistant — Elementary Mathematics Education

Kent State University | Fall 2022

ECED 40404/50404 — Teaching Mathematics in the Elementary Years II

- Participated in pre-class lesson reviews with the course instructor and prepared assigned portions of lessons for classroom instruction.
- Taught assigned segments of class sessions, led mathematical discussions, facilitated group work, and provided feedback to preservice teachers during instructional activities.

ECED 50303 — Teaching Mathematics in the Elementary Years I

- Contributed to selected class sessions by teaching assigned instructional segments and occasionally leading class discussions.
- Monitored and supported preservice teachers' participation during collaborative mathematical activities and provided in-class feedback as appropriate.

Volunteer Classroom Support — ECED 40303: Teaching Mathematics in the Elementary Years I
Kent State University | Spring 2025
- Participated in one class session, providing classroom support during an elementary mathematics methods course.

Instructor — UC 10001: Flashes 101: General
Kent State University | Fall 2024
- Developed the course syllabus and planned and delivered instruction for a first-year seminar supporting students' academic and personal transition to university life.
- Designed and facilitated class discussions, learning activities, and assignments; assessed student work and provided feedback.
- Guided and collaborated with a Peer Success Mentor in supporting students' engagement and transition to university life.
- Supported students in navigating university expectations and resources, developing a sense of belonging, and engaging in the curricular and co-curricular life of the university.

Co-Supervisor — CEF 405: Teaching Practice
University of Ibadan, Nigeria | January–March 2022
- Supervised preservice teachers during their school-based teaching practice.
- Reviewed and graded lesson notes and provided feedback on instructional planning and teaching practice.

Co-Supervisor — CEF 401: Research Project
University of Ibadan, Nigeria | 2020–2021
- Supervised final-year preservice teachers in the development and completion of their research projects.
- Reviewed research manuscripts and provided feedback throughout the research and writing process.

Co-Teacher — CEF 791: Research Methodology in Early Childhood Education
University of Ibadan, Nigeria | 2018–2019
- Assisted in teaching research methodology to graduate students in early childhood education.
- Assigned and graded coursework and provided feedback on students' work.
- Supervised examinations and participated in examination grading.

Co-Supervisor — CEF 401: Research Project
University of Ibadan, Nigeria | 2018–2019
- Supervised final-year preservice teachers in the development and completion of their research projects.
- Reviewed research manuscripts and provided feedback throughout the research and writing process.

Co-Supervisor — TEE 405: Teaching Practice
University of Ibadan, Nigeria | 2017–2018
- Supervised preservice teachers during their school-based teaching practice.
- Reviewed and graded lesson notes and provided feedback on instructional planning and teaching practice.

Co-Supervisor — TEE 401: Research Project
University of Ibadan, Nigeria | 2017–2018
- Supervised final-year preservice teachers in the development and completion of their research projects.
- Reviewed research manuscripts and provided feedback throughout the research and writing process.

Part-Time Lecturer — PED 111 & PED 128
Arepo Study Center, Sandwich Programme, Osun State College of Education, Ilesa | 2018
- Taught education courses to preservice and in-service early childhood and primary teachers.
- Designed and assigned coursework, assessed students' work, and provided feedback.
- Supervised examinations and participated in examination grading.

Elementary/Primary Classroom Teaching

Classroom Teacher
St. Andrew Primary School, Ibadan, Nigeria | 2021–2022
- Taught Grades 3–4 across the primary curriculum, including mathematics.

Classroom Teacher
The Pillars Academy, Ogun State, Nigeria | 2015–2016
- Taught Grades 3–4 across the primary curriculum, including mathematics.

Classroom Teacher
Omolola Nursery and Primary School, Ibadan, Nigeria | 2006–2010
- Taught Grades 3–4 across the primary curriculum, including mathematics.

PROFESSIONAL SERVICE

Journal Reviewer
- Ibadan Journal of Child Development and Educational Foundations
- International Journal of Educational Policy Research and Review
- International Journal of Emerging Issues in Early Childhood Education (IJEIECE)
- Journal of Early Childhood Association of Nigeria (JECAN)
- Journal of Educational Research in Developing Areas
- International Journal of Inclusive Education
